In music, a chord is three or more notes that combine harmoniously. You can play chords on a piano or guitar, but not on an instrument that plays one note at a time, like a trumpet. Chord comes from the French word for agreement, accord, so in music it means sounds that go together, or agree with each other.

What is a chord? Remember that a chord is an ensemble of notes played together at the same time. For purists, a chord is made of at least 3 notes. 2 notes played together is referred to as an interval. In practice, you don't need to play all of the notes in a chord every time. You can choose the ones you want to play from the notes shown here.
