### Laurel, Computers as Theatre | Pearson

Much as plays are divided into acts, sometimes with intermissions, our computer-based activities are divided into sessions, sometimes separated by short periods, other times by long breaks. Although Laurel focuses upon the theatre, she extends her metaphor by looking at plot structures in television (Chapter 3).

### Foreword: Computers as Theater (Brenda Laurel)

Book Description. Brenda Laurel's Computers as Theatre revolutionized the field of human-computer interaction, offering ideas that inspired generations of interface and interaction designers-and continue to inspire them. Laurel's insight was that effective interface design, like effective drama, must engage the user directly in an experience involving both thought and emotion.
