When you plan a written presentation it will often require careful
planning and may rely on rote listing of information in order to
achieve its message. You will find that an oral presentation may
be altogether different. Oral communication is by nature a very
dynamic method for transferring information between individuals
and/or groups.

Choosing Your Channel of Communication: Oral, Written

Strategies to Promote Oral Expression Patricia O'Malley, Ph.D.
Oral expression is a person's ability to express wants, thoughts, and ideas meaningfully using appropriate syntactic, semantic, pragmatic, and phonological language structures. Oral language is important because it

Strategies to Promote Oral Expression

Oral wills might have worked when many people were illiterate, but not today. These days, a written and signed will is necessary. An oral will, which is also called a nuncupative or deathbed will, is a will that is spoken to witnesses, but not written. Such wills are valid only in a few states and only in very limited and unusual circumstances.
