The Spare Room

Lucy wishes Mr. Tumnus well and bids him goodbye, returning through the wardrobe. Soon she feels the fur coats surrounding her, and jumps out of the wardrobe and back into the empty room where everything started. It is still raining; she can hear the voices of her siblings in the hall, and she calls to them, announcing that she has returned.

Focus on the sounds in the room or of cars passing outside the classroom—something external to the body. By breaking mindfulness practice down into these elemental components, the child is more likely to have a successful experience—and thus be more willing to practice in the future.

How to Help a Traumatized Child in the Classroom

At the heart, that's what teachers do. Guided practice provides each student a chance to demonstrate her grasp of new learning by working through an activity or exercise under the teacher's direct supervision. During this step, you might move around the room to determine your students' level of mastery and provide individual help as needed.
